About Chocolate Truffle of the Month

Our chocolate of the month features a different chocolate truffle each month. The chocolate of the month recipient will receive some of our classic truffles, some new flavors, and they will contain a mixture of dark chocolate, white chocolate, milk chocolate, and organic chocolate truffles. If you would like to choose particular flavors for your chocolate of the month order, please use the notes field on the checkout confirmation page or contact us after you have placed your order and we will try to accommodate your request.

Is a Gift Card Included in your Chocolate of the Month Club?

Each truffle of the month order receives a gift card. If you would like to leave a short message on the card please leave your message in the notes field on the checkout confirmation page when you are checking out.

Is Shipping Included with your Chocolate Truffle of the Month?

The shipping expense is configured by the shopping cart when you are checking out and added to your order after you provide the shipping address. There are no additional shipping or handling charges.
